Alexandra Rose is a professional twenty-three-year-old autistic Australian performer with a background of Musical Theatre, Film/Television, Commercial Modelling and Music.

Originally from Tasmania, she started her career on the stage at age twelve and has since been working with many major production companies on screen and within performing arts.

Alexandra has been the lead in five musicals, acted on set for fifteen film productions, sings at her regular music gigs and has performed live hundreds of times throughout her career.

Her most recent work includes roles in the television series '**Bay of Fires**' **season 2 on ABC** and '**The Survivors**' on Netflix which will both come out in 2025.
